

Community

Welcome! We are a **Real community bank**. The stockholders of this bank live in the community. We believe and invest in our communities and are proud to be a part of them. It is our goal to provide prompt, professional, friendly service to all.

Supporting the customers, local businesses, schools, agribusinesses and community groups is The **Spirit** of Community Pride that has kept the Castle Rock Bank strong for over one hundred years.

Our mission is to build personal relationships with area residents, community leaders and business owners

We are known as the bank who cares about their customers and their community. We are also known as the bank who gives back to the communities we serve.

From philanthropy to sending Santa and Mrs. Claus to the nursing home with treats we promote it all.

- Our customers help by dressing 200 teddy bears which we donate to underprovided children at Christmas.
- Our staff volunteer their time at Dakota City during the county fair, Christmas in the Village and the Victorian Tea, along with Shred Fest Day in April and many other charitable events during the year.
- The Castle Rock Bank was organized “to be operated for the good of the community, first last and always.”
